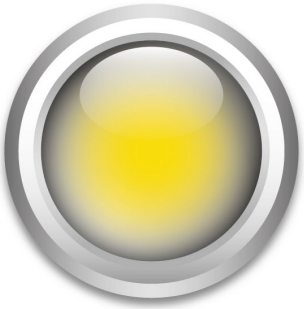
Highlights

Warm white diffused light



The warm white light with an output of 250 lumen/metre blends naturally into your interior thanks to the diffused light effect.

Extendable up to 5 metres

The LightStrips Extend are easy to install in different types of applications. The separately available extension kits allow you to extend your product by up to 5 metres.

Cut to size

If your LightStrips do not exactly fit the required application, you can easily cut them to size. Cutting marks on the product indicate where to cut.

Easy to mount

Paste the LightStrips wherever you like thanks to the integrated adhesive strip on the back.

Easy-to-use light switch

Simply switch the LightStrips on and off by using the on/off switch.

Protective silicone layer

Enhanced protection for electrical parts against dust and moisture, even during cleaning.

Safe LED technology

The LightStrips are safe to touch and use without the risk of open electricity.
